

Hello Members,

This is to inform you that Kern Branch events through March are cancelled due to the coronavirus pandemic. **Events will be rescheduled when it is possible and safe to do so.**

**Please inform your students, especially for the March Recital and Bach Festival!**

The following are cancelled for the upcoming weeks:

Certificate of Merit (decided by the State MTAC and State CM Council), March 14 (today)

Bach Festival (decided by the Southern California Junior Bach Festival), March 21

Select Student Audition, March 15, and probably the Select Student Recital date (April 25)

Kern Branch Recital, March 22

MSSL Recitals

These will be rescheduled when possible.

We will make decisions later either to go forward or cancel (postpone) additional events scheduled **after March 15.**

Most likely the Honors Recital may be postponed so the students selected with Honors at CM, when rescheduled, can be included. In the meantime, please make and keep a list of your winners and their piece from Jazz/Pop Festival and Winter Festival.

### **SCHOLARSHIP APPLICATION DEADLINE**

The Scholarship Application due date of **April 1** will remain. This is for the paperwork due to Alicia. The Scholarship Audition date (April 16) will be delayed if necessary.

Thanks,  
Dorothy
